

FRIENDS OF SILVERWOOD PARK MUSHROOM LOG INOCULATION WORKSHOP REGISTRATION FORM

The workshop will run from 8 am - noon each day. In order to accommodate social distancing and group meeting requirements, you will be assigned a specific time to arrive within that time frame. The inoculation process will take about 30 minutes.

Participants are required to wear a mask, respect social distance guidelines, attend alone or with one other per person, and only attend if healthy and symptom free. Although a hand sanitizing station will be available, there are no bathroom facilities at the park. Thank you in advance for your flexibility!
